

The Learning Choice Academy Early Graduation Policy

Please complete the following form and return to the counselor. Please distribute one copy to the family and retain one copy for your records.

Student Name	EP
---------------------	-----------

The Learning Choice Academy High School program is designed to be a four year program and students are not encouraged to try to complete high school in less time, since this may compromise the educational experience. Heavy course loads required to graduate early may not allow students to fully engage in and get the most out of their classes and to participate in extracurricular learning opportunities. However, TLC does acknowledge that some students are capable of completing high school in less than four years. Below is the list of requirements and procedures in order to fulfill the student's goal of early graduation. Please read carefully and sign and date the bottom portion of this form.

This is an agreement between The Learning Choice Academy "TLC" and you. By signing this document, you acknowledge the terms and conditions set forth by the early graduation policy.

1. This form must be completed and signed by the end of the students fall semester of 10th grade.
2. Students who transfer after the fall semester of their 10th grade year, may also petition to graduate early, but must still meet all the requirements set forth in this agreement and will be evaluated on a per student basis.
3. A minimum GPA of 3.0 must be maintained at all times.
4. All students petitioning to graduate early must meet with the school counselor and their EP prior to submitting the petition.
5. All students petitioning to graduate early must be approved by the school counselor.
6. Any other additional terms to the agreement must be stated here:
