

6-7-2010

Greetings from The Learning Choice Academy!

Have you re-registered yet?

Registration paperwork for the 2010-2011 school year is available now. If you are planning to return to TLC next year, please let your EP know and they will have the paperwork ready for you at your next meeting. Of course, we hope to see all of you back next year but if you are not planning to return, please let us know so we can get some information about your educational plans for next year.

Turn in your Curriculum!

When you come in for your last meeting with your EP, don't forget to turn in your 09-10 curriculum. Outstanding curriculum can hold up new curriculum orders for the 10-11 school year.

WASC Team Opportunity

The Western Association of Schools and Colleges bestows accreditation upon our states' schools and higher learning institutions. However, many are not aware of the opportunity that WASC makes for students within the accreditation process. The California Association of Student Councils, in its partnership with WASC, selects students who may be interested in becoming apart of an accreditation team for a nearby school. Applications to participate are available online at http://www.casc.net/downloads/applications/CASC_WASC_2010-11.pdf.
